

What... Is Really Happening to Our Planet at This Time?

Jean-Claude Gerard Koven

“Mythic and masterful, it is a work to be read and reread.”

— Jean Houston, Ph.D., Director, The Foundation for Mind Research

“The hottest metaphysical book of the millennium!”

— Linda Salvin, Syndicated Radio Show Host

“This novel should not only be on the shelf of every metaphysical enthusiast, but also in the hands of anybody who desires to enrich his/her spiritual life.”

— Mayra Calvani, Midwest Book Review

“Going Deeper will stimulate change within you. This well-written book will provoke you out of a flaccid, complacent life. It will call you to contribute to your own unique brilliance. It will support your excitement and courage to commit yourself to your greater visions.”

— Joan McNeill Ph.D., R.N., Awareness Magazine

“Going Deeper is a brilliant, eclectic read that seeks to awaken the sleeping...A must read for those concerned about planetary survival.”

— Paul Brenner, M.D., Ph.D., author of *Buddha in the Waiting Room*

“Jean-Claude Koven has written a brilliant New Age primer that brings today’s metaphysical and spiritual consciousness to life in an easy yet compelling style.”

— Zsuzsana Summer, author of *The New Age, Demystifying Spirituality*, and *The New Age and the Metaphysical*

Enjoy meeting Jean-Claude, internationally acclaimed author of the must-read metaphysical novel, *Going Deeper*. If you find many of today’s world events strange and foreboding, then it’s time you discovered what’s really happening behind the scenes. You might find much of the information disturbing, but once you see the larger picture, you will never again fall victim to the trap that engulfs humanity.

We are undergoing a major shift into a new paradigm of love and peace that breaks the old walls of our prison. Find out what part you are meant to play in this unprecedented transformation. A few of the topics to be covered:

- What Will the Next Twenty Years Bring?
- What Do You Need to Do to Make the Shift?

- What Does the Dark Side Hope You Never Discover?
